Bryan-

FYI - Anni and I wanted to make you aware of the attached 3/13/18 letter from Senator Reed's office regarding Melville at NAVSTA Newport. Jane continues to keep Anni and I apprised of the ongoing PFAS investigations and the team is working towards adequate PFAS characterization to allow for transfer of the property.

Hi Paul. Just FYI, a letter from Senator Reed to Navy regarding the DFSP Melville parcel at Newport Naval. Fairly innocuous and no to-do for us (yet). Let me know if you want to discuss, 8-1273.

Hey guys,

Yesterday I received a copy of this letter and want you to be aware. It is a letter Senator Reed sent to the Secretary of the Navy regarding the possible future Melville property transfer.
